River Day 2009 set for Saturday, June 13

The fifth annual St. Clair County River Day is planned for Saturday, June 13, across the rivers, lakes and bays of St. Clair County.

River Day will offer dozens of free events designed to give residents of all ages to chance to protect, enhance and celebrate the waters of St. Clair County.

The event corresponds with the Michigan Free Fishing Weekend, giving all residents the chance to drop a line without a license.

Activities this year will include free fishing clinics, canoe and kayak rides and native plant sales.

Keep checking www.RiverDayFun.com for details and a complete schedule of events as they become available.
