River Day 2010 set for Saturday, June 12

The sixth annual St. Clair County River Day is planned for Saturday, June 12, across the rivers, lakes and bays of St. Clair County. This event is designed for families and all activities are free.

River Day will offer a dozen free events designed to give residents of all ages the chance to protect, enhance and celebrate the waters of St. Clair County.

The event corresponds with the Michigan Free Fishing Weekend, giving all residents the chance to drop a line without a license.

Activities this year will include free fishing clinics, canoe and kayak rides, guided hikes, river cleanups, and native plant sales.

Keep checking www.RiverDayFun.com for details and a complete schedule of events as they become available.
