## St. Clair County River Day Website online

Full details for the fifth annual St. Clair County River Day are now available online at [www.RiverDayFun.com](http://www.RiverDayFun.com).

River Day is planned for Saturday, June 13, across the rivers, lakes and bays of St. Clair County.

The Web site features a full schedule of events, contact information and a link to the River Day group on the social networking Web site Facebook.

River Day offers numerous free events designed to give residents of all ages to chance to celebrate, enhance and protect the waters of St. Clair County.

The event corresponds with Michigan Free Fishing Weekend, giving all residents the chance to drop a line without a license.

Activities this year will include free fishing clinics, canoe and kayak rides, stream cleanups and guided nature hikes.
